## COME PARTY WITH US

We lead this month with news of our July reception scheduled for Thursday, July 11 at our 580 Sixth Street Art Center. Mingle and chat with other members and enjoy the refreshments...but above all, enjoy the art.

But you don't have to wait for the reception to see the exhibits. You can visit each of our galleries *now* to check out the art.

Umpqua Bank and the City Hall Rotunda are open Monday through Friday. Gallery 580 at our 580 Sixth Street Art Center is open Thursday through Saturday, 11 AM - 3 PM. If you have a group, contact us at [info@all4art.net](mailto:info@all4art.net) and we'll see if we can arrange special openings for you.

## LEARN & HAVE FUN

This month we're having fun classes for adults and kids age 8-12.

Unni Stevens returns on Saturday, July 13 for another of her fun-filled Sip & Paint classes at the Art Center from 1-4 PM. This month's subject is a cool Caribbean island scene recalling memories of your last cruise or the promise of one to come...maybe both! Your registration includes the wine and snacks plus all the supplies you'll need. Just \$55 per person - 21 years or older please - payable at the Art Center on painting day.

Register online or email us at [info@all4art.net](mailto:info@all4art.net).

And because we want the up and coming generation to enjoy art as much as the adults in the room, we are offering two watercolor classes for kids ages 8-12 years.

## Summer Watercolor Classes for Kids

## GIFT SHOP ON THE WAY...

We've heard you loud and clear. Many members and their guests miss having a gift shop in our Gallery 580. So, we are going to open one. Gift shop coordinator Terri Goodman begins this month to engage local artists who would like to display and sell their custom art in the Art League gift shop...due to open in September at the same time as the annual members' show.

Stay tuned for more details.

## VOLUNTEERS

We still have number of challenging, interesting and fun volunteer positions available on our various teams. Specifically, we have openings on our reception and host team, finance team (someone with bookkeeping experience), education team (youth and adult educators and coordinators welcome), writers and graphic artists for our communications team, and volunteers to help our venues team (we have four venues to keep up and fill).

Handy with a hammer and nails? We need you.

Comfortable working with computers, MAC or PC? We can use your skills.

Bottom line: You've all seen what we can do with just a few volunteers. Think of what we can do with more like-minded members. Contact [info@all4art.net](mailto:info@all4art.net) for more information.
